UNFIP Funds for Preparatory Activities - NGOs/Regional Meetings	Total Cost USD: 900'000.00
Please note that the above totals do not include costs incurred by the Host Government in respect of the Conference	
No funding was received by OHCHR from Regional Commissions related to the World Conference against Racism	

Regarding access to funds for participation of representatives from LDCs in General Assembly meetings, the OHCHR secretariat is not aware of a central fund for such a purpose. To the extent that such a fund may exist, it would fall under the authority of the United Nations Controller, in compliance with whatever guidelines or procedures may exist for use of the funds. It would thus be necessary to approach the Controller with any such request.
