

**Intervention on
the Report by
Special Rapporteur on the Situation of Human Rights in DPRK**

Mr. President,

At the outset, we should like to extend our deep appreciation to the Special Rapporteur on Democratic Peoples Republic of Korea (DPRK) for his presentation and his endeavours in carrying out its mandate.

At the same time, we should also like to express our sincere thanks to the distinguished delegate of the DPRK for his informative statement which updates us on the latest developments in the country. ~~the position of the country on this issue~~ his country's rights and.

Although Indonesia is averse to country specific mandates, we would nevertheless like to see positive developments in the Council generally and in the deliberation of specific issues in a way that promote and strengthen dialogue, transparency, non-selectivity and cooperation.

Thank you.
